Increase in Fees for the Advance Debit Card System

Permanent Secretaries, Heads of Departments and Agencies will recall that the last amendment to Fees for the use of the Advance Debit Card system to procure fuel, oil and lubricants was in April 2004.

Since then, the service provider, citing increases in operational cost, requested and has been given approval for increases in the following areas:

- (a) one time registration fee
- (b) monthly service charge; and
- (c) replacement fee for lost card.

Therefore, with effect from February 1, 2006, in addition to the monthly deposit for the procurement of fuel, the new rates indicated below must be used in the calculation of payment to Manufacturers Credit and Information Services (MCIS) Limited:

- (a) Registration Fee for new/additional vehicles - \$275.00 per vehicle
- (b) Monthly Service Fee - \$203.00 per vehicle
- (c) Lost Card Replacement Fee - \$275.00 per vehicle.

Kindly ensure that this information is brought to the attention of all relevant persons.

Financial Secretary
