2006/2008 Revision of Salaries Weekly and Daily Paid Staff

In keeping with the Memorandum of Understanding arrived at between the Jamaica Confederation of Trade Unions and the Government of Jamaica, the rates of pay for the classification groups listed on the attached schedules are to be revised with effect from April 1, 2006 and April 1, 2007 respectively.

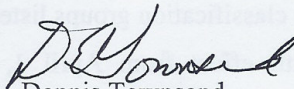

Conversion to the new salary scales is to be on a point-to-point basis starting from minimum to minimum. The new rates may be paid in June 2006 and retroactive amounts are to be paid in July 2006.

The MOU allowance that was paid in May 2006 is to be recovered from the retroactive salary payments. Please note that the MOU allowance paid in April 2006 is **NOT TO BE RECOVERED**.

Loan payments for employees who opted for the moratorium are to resume in June 2006. For the loans disbursed by Accountant General's Department calculation of interest is also to resume as of June 2006.

Details of the additional funds required to implement the increases should be submitted to the Public Expenditure and Public Service Establishment Divisions (Compensation Unit) of this Ministry. The costing is to be broken down by the number of positions involved at each classification grade/level.

In any case of doubt or difficulty, please contact the Compensation Unit of this Ministry BEFORE payment is made.

for Financial Secretary
