Re: Sale of Twelve (12) 2007 BMW Motor Cars,
Series 531ia Sedan, Right Hand Drive

Permanent Secretaries, Heads of Departments and Chief Executive Officers are hereby advised that there are twelve (12) BMW motor cars, which are available for disposal to public officers indicating interest.

As you are no doubt aware, BMW negotiated the right to be the official supplier of motorcars for the ICC Cricket World Cup 2007. Consequent on this, the vehicles were imported by Stewart Motors under "special conditions" specifically for the Local Organizing Committee of Jamaica Cricket 2007 with the firm understanding that purchasers would be identified to acquire these vehicles after the event.

The decision has been taken to make these available in the first instance to public officers who are designated travelling officers and eligible for 20% duty concession.

The selling price of the vehicles with the 20% duty concession is \$4.22M. Please note that the full duty price is \$5.922M

Disposal of the twelve (12) vehicles will be conducted on a "first come, first served" basis. Please note the two pre-qualification requirements for applicants are:

- (1) Designated Travelling Officers; and
- (2) Eligibility for 20% duty concession, based on date of the last concession granted.
