Re: PROVISION OF PROTECTIVE CLOTHING

Your attention is drawn to the 2008/2010 Heads of Agreement concluded between the Jamaica Confederation of Trade Union (JCTU) and the Government of Jamaica.

Item 2e states that protective gears will be provided as required on a replacement basis.

Ministries/Departments and Agencies are therefore being reminded to provide the relevant protective gear/clothing where required, in compliance with regulations for occupational health and safety in Jamaica.

Your cooperation in this regard is critical for continued industrial harmony in the Public Sector.
