Government Employees Transportation Service - Bus Passes

It has been brought to our attention that a number of passengers on the Government Employees Transportation Project Buses have not been cooperating with the Drivers in having and displaying the requisite passes to board the buses. This has been negatively impacting on the feasibility and management of the project.

In light of this situation the Drivers have been instructed that **absolutely no one** should be allowed to access the Government Transportation without proper Identification and the requisite Pass.

Therefore, Permanent Secretaries, Heads of Departments are asked to *convey this information to all employees and to ensure that passes are purchased, collected and distributed in a timely manner.*

The attached Notice is to be visibly displayed within your Ministry / Department / Agency.

Thank you for your cooperation.

Financial Secretary
