The **Civil Service Week 5K** seeks to raise the awareness of Jamaicans, not only on who public servants are and what they do, but also the support given by them to the various charities they undertake annually. The focus on this year's charities, Sophie's Place and the St Anthony's Children's Home, is not just on children in need, but wards of the state who are ailing, in addition to those with disabilities. Also, the **Civil Service Week 5K** collaborates with the Ministry of Health's 'Jamaica Moves' initiative to promote a healthier Public Service, and by extension, the wider society.
