Re: Government Employees Transportation Service - New Bus Access System

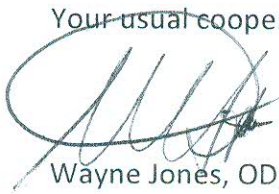

Based on a review of the current operations of the Government Employees Transportation Service (GETS) it has become imperative for the current access system to be revised. Consequently such a revision has commenced and is geared towards the development of a new Access System.

In this regard, a number of sessions will be held at strategic locations (entities) to sensitize users and to facilitate the generation of Identification Cards. This anticipated System is to be fully implemented by January 2019. A Pilot will be conducted on specific routes, commencing April 2018 and will continue for the remainder of the year. **The Sensitization and ID Sessions will be hosted over the period February 2018 to March 2018. Current approved passengers as well as new and existing applicants will be required to present their TRN which will be the main identifier in the GETS Database.**

Further communication will be made regarding the specific date and time of visits. To facilitate this process, kindly complete the attached form and make all submissions to the Employee Relations and Benefits Unit, Ministry of Finance and the Public Service via email addresses: ricardo.senior@mof.gov.jm OR sylvia.shirley-sterling@mof.gov.jm on or before February 9, 2018.

In case of doubt or difficulty please do not hesitate to contact Mr. Ricardo Senior at telephone number: (876) 932-5371 or Mrs. Sylvia Shirley-Sterling at telephone number: (876) 932-5367.

Your usual cooperation is anticipated.
