

**Consolidated Public Sector Estimates
for Financial Year 2026/2027**

The Financial Administration and Audit (FAA) Act and the Public Bodies Management and Accountability (PBMA) Act were amended in 2010 to establish a Fiscal Responsibility Framework (FRF) for Jamaica.

The FRF seeks to provide prudent fiscal management, and, more broadly, confirms the commitment of the Government of Jamaica (GOJ) to institute a culture and process that will promote fiscal discipline.

The amendments to the (PBMA) Act provide for, *inter alia*:

- a) The Minister to have prepared before the end of each financial year, estimates of revenue and expenditure in respect of all public bodies (including a summary of their corporate plans) and shall cause these estimates to be laid before the House of Representatives and the Senate for approval.
- b) The corporate plans for public bodies, and any subsequent modifications of such corporate plans, to be submitted to the Minister for endorsement and laid before both Houses of Parliament for approval.

With the budgets of both the Central Government and public bodies requiring Parliamentary approval, the consolidated Public Sector Estimates have been produced for presentation to Parliament for the **Financial Year 2026/2027**.
