**Re: Government Pensioner's Administrative Services Only (GPASO) Health Scheme
Increase Full House Benefits – September 1, 2023**

On behalf of the Government of Jamaica, we are pleased to announce the increase in the Full House Benefit for eligible pensioners of the GPASO Health Scheme, effective September 1, 2023, as outlined below:

Plan Type	Existing Full House Benefit Prescription Drugs, Dental and Optical	Revised Full House Benefit Prescription Drug, Dental and Optical
Individual (pensioner only)	\$20,000.00	\$28,000.00
Family (pensioner & spouse)	\$40,000.00	\$52,000.00

Please note that only the difference of \$8,000 (individual plan type) and \$12,000 (family plan type) will be added to your existing Full House benefits on September 1, 2023.

As a reminder, the family enrolment provides coverage for:

- The subscriber/pensioner
- Subscriber's resident spouse (married or unmarried)
- Disabled dependent child under special consideration only from this Ministry.

Pensioners who have not yet done so are to submit their commercial banking information to Sagacor Life Jamaica Limited or the Accountant General's Department – Pensions Unit by completing the attached **Customer Information Form on or before September 1, 2023**, as **GPASO claims reimbursements are currently made via Electronic Fund Transfer (EFT) only.**

All the best as you continue to enjoy your years of retirement.

Yours truly

Wayne Jones, OD, JP
