

**INTERGRATED RESORT DEVELOPMENT – QUERIES IN RESPECT OF
REQUEST FOR APPLICATIONS**

QUERY 6

QUERY : The Request for Applications – Declaration of IRD states that the “Application forms and all requisite documentation are to be submitted in four hard copies and one thumb/flash drive in accordance with Section 3 (5) of the Regulations.”

However, the instructions included in Form B and Form C from the Regulations state that “The original form, four paper copies, and one compact disc (cd) containing all forms must be sent with the entire application package to the financial secretary.”

Can you kindly confirm the correct filing requirements for the RFA?

RESPONSE : With respect to the follow up query on the correct filing requirements. Yes, it is confirmed that Section 3 (5) of the the Casino Gaming (Application for Declaration of Approved Integrated Resort Development) Regulations, requires that “(5) *Four hard copies and one electronic copy of such application, the relevant personal history disclosure forms and business entity disclosure form shall be delivered to the Financial Secretary.*” The Ministry of Finance has determined that a thumb/flash drive is an acceptable electronic medium to submit the filing requirements for the Request for Applications inclusive of the relevant personal history disclosure and business entity disclosure forms.
